

Introduction to the G1000

Join Airwolf at the Greenville Downtown Airport for an informative and interactive seminar on the features and functions of the G1000. Mr. Trenton Hovland, an Airwolf CFI, will be covering several topics including the pros and cons of using a 'Glass Cockpit', G1000 flight instruments vs. traditional instruments, entering and editing flight plans and many other great features of the G1000 system. Bring your questions! Trenton will have a G1000 simulator set up (Cirrus version with Perspective).

Directions: Drive in: Park in parking lot and walk in door titled "Jet Center Conference Room" Fly In: Park on Tower Ramp and follow signs to "Jet Center Conference Room"

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
